

## Cosmetology Disclosure/Class Outline

The Curriculum for the cosmetology course shall consist of sixteen hundred (1600) clock hours of technical instruction and practical operations covering all practices constituting the art of cosmetology pursuant to Section 7316 of the Barbering and Cosmetology Act. Upon completing this program the student will qualify to take the state board exam for licensing. With this license you will be able to practice any and all procedures done in a licensed salon including Hairstylist, Color/Chemical Specialist, Skin Care (Esthetician) Specialist, Manicurist, Salon Owner, Retail Sales and Manufacture Educator/Representative. The license would include all Skin Care and Manicuring services. Along with this license and three years of experience in the salon industry you could also qualify to be an instructor.

At Design's School it is our goal to provide the student with the education necessary to not only pass the licensing exam, but to be an asset to the profession of Cosmetology and to become a success in whatever area of Cosmetology the student desires.

Technical instruction shall consist of demonstrations, lectures, classroom education, participation or examination. (Practical operation shall mean the actual performance by the student of a complete service on another person or on a mannequin.) Such technical instruction and practical operations shall include:
