

Skin Care Disclosure/Class Outline

The Curriculum for the Skin Care Course shall consist of six hundred (600) clock hours of technical instruction and practical operations covering all practices constituting the art of Skin Care pursuant to Section 7316 of the Barbering and Cosmetology Act. Upon completing this program the student will qualify to take the state board exam for licensing. With this license you will be able to practice any and all Skin Care procedures done in a license salon or spa including facials, body wraps, make-up artist, assisting in skin care procedures in a doctor's office, micordermabrasion, Retail Sales, Manufacture Educator/Representative.

At Design's School it is our goal to provide the student with the education necessary to not only pass the licensing exam, but to be an asset to the profession of Esthetician and to become a success in whatever area of Skin Care the student desires.

Technical instruction shall consist of demonstrations, lectures, classroom education participation, or examination; practical operation shall mean the actual performance by the student of a complete service on another person or on a mannequin. Such technical instruction and practical operations shall include:
