Designs School of Cosmetology (DSC) has expanded into Northern California

We are excited to have our new location in Pleasanton! Our nationally accredited main campus has been open in the Central Coast for over 10 years. DSC wants to continue our success and bring top quality programs of Cosmetology, Esthetics, and Manicuring to the East Bay.

Thinking of a new CAREER?

Never has there been a better time to start your career in the salon and spa industry. A recent NACCAS job demand survey reported on our industry and found zero unemployment for above average salary job positions. DSC conducted our own study by surveying 10% of the salons in the local Tri-Valley. The conclusion was that on average each salon is looking to fill 2.5 positions. Now is a great time to get started in your new and exciting career!

Take the first steps towards an fulfilling career

Designs School of Cosmetology is currently accepting students to enroll for classes beginning in September. You can contact an admissions representative by calling (800) 939-9051 and dialing extension 4, or you can visit us on the Internet at www.designsschool.edu.

We look forward to seeing you in September!
